Foster Parents needed ! Even during these trying times we are going through it is more vital then ever we have enough Foster Homes for our children here in Kansas. There are over 7,500 kids in care throughout the state and we need more Foster Homes. This is your chance to open your home to one of the many children who have been removed from their home for no fault of their own to provide them a stable placement with the love and care they need. We would love to help you get started in that process. Come join us at TFI and become part of our family. Connect with us at www.tfifamily.org or call us at 833-7FOSTER Remember to get started. \_ Kansas kids need you
