Brand new ST120VX Professional Series String Trimmer. Comes with 120V battery and charging cord. Add the battery backpack for an additional \$42.00, available in black or yellow.

The ST120VX String Trimmer is a professional-grade electric trimmer with enough power and torque to surpass many mid-range gas tools. The backpack battery design eliminates weight on the tool, reducing fatigue without losing cutting power. Whisper-quiet with zero emissions, this weather-ready trimmer features a relentless 5,500 RPM cutting speed and an IP56 ingress protection rating.
