I recently received some Jevity Balanced Nutrition with Fiber. I tried to use it and it did not agree with me. If you are in the need and could use some I would love to give it to someone that can use it. I have 6 Full Cases and a partial case. I'd like to spread it around to help as many people as I can. So call me and I will see how much interest their is for it. No Charge Just trying to pay it forward... 620-392-5969 or 620-490-0411
